

3 WAYS YOUR SMALL BUSINESS BENEFITS FROM USING A PEO

GROW 7 TO 9% FASTER

Since December 2004, employment at small businesses using PEOs has **grown more than 7 percent faster than at small businesses overall**, according to the Intuit Small Business Employment Index.

HAVE 10 TO 14% LOWER EMPLOYEE TURNOVER

The average overall employee turnover rate in the United States is approximately 42 percent per year, based on 2012 data. It is **28 to 32 percent for companies that used PEOs** for at least four quarters.

BE 50% LESS LIKELY TO GO OUT OF BUSINESS

Businesses that use PEOs are approximately 50 percent less likely to fail (permanently go “out of business”) from one year to the next when compared to similar companies in the population as a whole. The overall business failure rate among private businesses in the United States as a whole is approximately 8 percent per year, based on 2012 data. It is approximately 4 percent per year for those companies that used PEOs for at least four quarters.

Professional Employer Organizations (PEOs) provide human resources services to their small business clients—paying wages and taxes and providing compliance assistance with myriad state and federal laws and regulations. In addition, PEOs often provide workers with access to 401(k) plans, health, dental, and life insurance, dependent care, and other benefits not typically provided by small businesses. Between 2 and 3 million people are covered by PEO arrangements.

We are a broker centric PEO that delivers a complete solution to small to mid sized companies. We automate all aspects of payroll, benefits, and compliance to save our clients time and money. Our Customer Care team provides a personalized, consistent service experience to deliver confident peace of mind.
